## Closing Program Of Training School

The second Youth Training School to be held in Raymond, closed Friday evening last with a program and dance, and about three hundred people attending. The school had been well attended throughout, and on Friday afternoon when the work of the school was on display and the public invited to visit and inspect the work, about 400 people availed themselves of the opportunity to see the actual work of these attending the school, including carpentry work by the boys, and sewing, cooking, weaving and many other lines by the ladies and girls. Those visiting during the afternoon were served refreshments by the students of the school, the making of these refreshments being a part of the work of the Home Economics class.

Moving pictures in sound occupied the first part of the evening. Amongst the most interesting of these were one on "Farm Inconveniences" which showed the loss of time, money and patience of the farmer with poor fences, poor gates and poor buildings compared to the man who, without any superior equipment or knowledge accomplished much more with much less effort because gates were tight, fences were kept in repair, machinery was put in the sheds and everything had a place and was put in it. Then one on safe driving was very valuable, especially if the suggestions offered were practiced. Outstanding was the one in technicolor "Bacon for Britain." This film followed the hog from the farm, to the shipping point, and on to the packing house, where grading was done according to government standards and the famous "Wiltshire sides" selected and wrapped for shipment to Britain. This film was really educational and everyone growing, or interested in growing bacon hogs should see it. Dark haired hogs, bruised ones, underfed and underfinished ones were all shown, and as the carcass was dressed and ready for final grading it certainly didn't take an expert to tell the No. 1 side compared to the lower grades.

Mr. McFall exhibited the films and made a few remarks about his previous visit in town.

The Student Body, with Bruce Heggie as President, then took charge and presented the following program:

"Saturday Night," a comic skit, starring Millie Romeril, Jane McMullin, Bruce and John Heggie, Delbert Thompson, Verle Lybbert and Reid Fawns.

Sylvan Hillard, assistant in the Extension Department of the University of Alberta spoke briefly of the growth of the Town and of the fine buildings erected since his last visit. Life is a series of disappointments and reverses and those who do succeed are those who overcome their difficulties. He told of the desire of his department to assist farmers in solving their problems, and said that any letters sent to them asking advice would be fully answered.

Bruce Heggie, on behalf of all the students, thanked the staff for their labors, and a presentation was made to Misses Knox MacKenzie and Moulder, and to Messrs Anderson, Miller and Peters. Miss Knox replied for the ladies and Mr. Anderson for the men. Mr. Miller expressed his appreciation for the kindnesses shown during their stay in Raymond.

The following was then pres-

### LIONS MEETING

The Raymond Lions Club held their regular meeting in the Sugar Bowl, Monday February 16, with 28 members present.

The meeting opened in the usual manner by singing "Oh Canada." Prayer being offered by Lion M. T. King. Jim Weaver and Joe Strong were introduced as new members, and Lion Joe McLean led the Club in Community singing.

Cardston's Charter night was announced to be held on Wednesday February 25. All members being invited to attend.

Lionesses J. Evans and McPhee and Lions Sidney Ralph and O. H. Snow were reported sick and arrangements made for a committee to visit them.

The Club voted to purchase \$150. worth of War Bonds, and Mark Heninger won the War Certificate which is drawn for every meeting.

Lion John Zobel then gave a talk on the City of St. Augustine in Florida, after which meeting closed by singing the National Anthem.

### CONSIDERABLE SNOW

Following a snow last Wednesday morning which fell to a depth of about three inches on the level, we have had several flurries, which while they lasted were real blizzards, and have added considerable very welcome snowfall to the winter's total. With such a dry winter, the additional snow will do a great deal of good.

Friday evening about nine snow started and fell heavily for about three hours. Saturday evening it commenced about eight and lasted until midnight, and Sunday afternoon it set in about 3 p.m. and for two hours it really flew around on the wings of a strong wind, sometimes coming so fast that visibility was cut down to a few feet. The mercury has not fallen very low during these blusters and with the frost practically out of the ground these storms will do a great deal of good.

ent: "Danny Boy" sung by Mrs. Laura Watson.

"Rose O'Day" sung by Tucker Hironaka.

"A Little Brown Owl," a duet by Mrs. J. Boehme and Miss R. Rasmussen.

A very laughable pantomime of a love scene.

"Good-bye Dear" sung by Millie Dyson.

Saxophone Solo by Nolan McMullin.

"Drink to Me Only" a solo by Toshiko Saruwatari.

Prizes for outstanding work in the School went to: Mrs. C. J. Bowden, Miss Yasko Iwaasa and Mrs. Millie Dyson.

Boys receiving special mention were: Bruce Heggie, Tucker Hironaka and Reid Fawns.

In a few closing remarks, the Supervisor, Wm. A. Anderson thanked the people of Raymond for their co-operation and assistance and suggested that if they really felt the school had been worth while, they express this thought in a letter to the Department of Extension and he felt sure it would result in further schools being held here. The staff are now in Milk River conducting another three week school there.

Dancing concluded the evening, music being furnished by Mrs. Maybelle Anderson and Tom Allen.

## Victory Loan Rally Well Attended

The Victory Loan Rally staged in the Opera House Monday afternoon was well attended the large building being filled to capacity, with 200 people standing at the rear of the chairs for the entire program. The students of both schools from Grade 4 up of the Public School added to the well behaved and quiet crowd present.

Arranged by Lee Brewerton, Chairman of the Publicity Committee and his staff, the program was under the supervision of E. R. McFarland of Lethbridge, Public Relations Director for Southern Alberta, and F. O. Shaffer was Master of Ceremonies.

After singing "O Canada" by the entire assembly, F.O. K. K. Smith explained the flag used by Miss Dinsmoor in her flag waving dance, which carried the insignia of the American Air Corps and the R.C.A.F. and then introduced Miss Dinsmoor "Miss Sunshine of California," who was greeted with a thunderous round of applause.

She expressed her joy at being in Southern Alberta and her happiness at being permitted to assist a little in launching the Victory Loan, and then Mayor Cope was called to the stage and Miss Dinsmoor presented him with a letter from the Mayor of Los Angeles, which he read to the audience and which we present here:

February 10, 1942

To The Mayor of Raymond, Alberta, Canada My Dear Colleague,

Greetings from Long Beach and all of Southern California.

We are very happy to have one of our charming young ladies, Miss Evelyn Dinsmoor, bring to you personally our sincere wishes for an exceedingly successful Victory Loan Drive.

United as we are in the same task of freeing all of the North American Continent of the threat to our highly prized freedom, we must realize that there can be no lessening of effort by the citizens of your great country and an ever-increasing effort on behalf of our citizens, marching shoulder to shoulder, until the Victory shall be ours.

Very sincerely yours, Francis H. Gentry, Mayor City of Long Beach

Mayor Cope welcomed the gathering to the Rally, and then E. T. McFarland explained the set up of their program, and expressed his thanks to Wing Commander Jones of No. 8 B and G, from whose personnel all the program was provided except Miss Dinsmoor. Mr. McFarland suggested a round of applause for W. C. Jones, and the rafters fairly shook.

The following program numbers were rendered nearly all of which were encored:

Piano Accordion solos by Anthony Razella.

Straight Jacket act by Sgt. McInnis.

Vocal Solo, Airman Delsall with Airman Prior at the Piano. Melodrama "The Airman's Dream."

Demonstration and talk of Airman's equipment and cost by F.O. K. K. Smith.

Male Quartette by Airman. Piano-Accordion solo by the Master of Ceremonies.

Director McFarland made a short talk on the vital need of the Loan and urged all to do

their utmost to assist in it, and Miss Dinsmoor sang "Bluebirds Over Dover" and gave one of her dance numbers and also sang "Smiles". Airman Prior at the Piano.

A rifle drill was given by "The Awkward Squad" who redeemed themselves in a real nice, but short drill.

F.O. K. K. Smith showed a Browning Machine Gun and a practice bomb, and explained how much ammunition is required, and what the cost was in dollars for practice work of an airman, and told the people that the need today was not more men but more money to buy planes, guns and ammunition, and uniforms for recruits.

Airman Prior entertained with some piano music, and J. O. Hicken, on behalf of the Committee and people of Raymond made a presentation to Miss Dinsmoor, and gave a short talk on the absolute necessity of putting the Loan over the top to continue the work we have started so well. He said if our enemy did not win this coming summer he would not and could not win, and it was up to us to keep our Empire supplied with munitions and supplies so that we could hasten the victory which must be ours.

The program concluded with Miss Dinsmoor's flag waving dance, and the singing of "God Save the King," by everyone while the Airman stood at attention on the stage.

The entertainers were guests for supper of the Board of Trade and left about 6 p.m. to repeat their program in Milk River in the evening. The thanks of the Committee and town are extended to the visitors for the very fine program provided and we are sure it will do much good.

Evans Bros. had the misfortune to freeze the water in the radiator and block of their Allison engine over the week end. The radiator and block were both damaged and will be an expensive repair. Someone forgot to open the drain.

### W. I. MEETING

The Raymond W. I. held their monthly meeting on February 12th. at the home of Mrs. M. Allred with 31 ladies present.

Meeting was opened by singing "O Canada" and the creed repeated, the minutes were read and some business attended to. The roll call was answered by Health Remedies.

Mrs. Blanche Scoville sang a solo accompanied by Mrs. Emma Dahl at the piano.

A paper on child Welfare and Public Health was given by Mrs. Lamb, and a piano solo by Mrs. Emma Dahl.

Plans were made by the W. I. to help in advertising the Wabasso Cotton Company Fashion Show, to be put on here Feb. 27th in the 2nd Ward Chapel. A light lunch to be served after by the W. I.

Miss Erma Allred rendered a solo.

Lunch was served by the hostesses Mrs. M. Allred and the next meeting will be held March 12th. at the home of Mrs. Jas. Fisher.

A paper on Agriculture and Canadian Industries was given by Mrs. A. Winkler and the meeting closed by singing "God Save our King."

## 4,000 Acres More Sugar Beets Likely

### LOCAL BOY IN SELECT GROUP

Chosen as one out of 60 R.C. A.F. men from Manning Depot No. 1, Toronto, Arthur Hutchinson, son of Mrs. Hutchison, and whose father, a war veteran passed away a few years ago will take part in a Carnival drill to be presented in Toronto and also at New York, and was amongst the Canadian men who viewed 'Captain of the Clouds,' in its premiere showing in New York on February 12th.

Squadron Leader Dyte has instituted precision drill in Depot No. 1, and these boys chosen are those who make the finest appearance in uniform and who have the drill to best perfection. We congratulate Arthur on being one of the select few from amongst such a group, and we feel that his mother and friends may be justly proud of his achievement.

Trucks and cars of all makes were dragged into Service Stations Tuesday morning after a very cold night. Frozen gasoline lines seemed to be the main cause of trouble.

### Letters From The Boys

No. 3 Wireless School, Winnipeg, Manitoba. Dec. 24, 1941.

The Red Cross, Raymond.

I received parcels and appreciated them very much. They were all in good condition and arrived O. K.

I'm very grateful for the kindness you have shown me for it is always appreciated by all we boys in uniform.

Yours truly, L.A.C. K.J. Holland, R92807, R. C. A. F.

No. 1 R.C.O.C. Holding Unit, Canadian Army Overseas, Jan. 8th, 42

Ladies of the Red Cross and People of Raymond.

I received your most welcome parcel last night. I want to thank you all very much for it although you could have given me your return address so I would know who to write to and say thank you. I'm more or less taking a chance at this one, but I think it is a good one.

The sweater was the correct size and the rest of the contents really touched the spot.

The parcel was a real surprise to me as I just came overseas and before I left I told my folks and friends not to send any parcels until they received my direct address; so I wasn't expecting any. I am helping in Camp's Post Office during the Xmas rush while waiting for my trade test. Last night there were only 4 parcels in the letter "G" to be sorted, and I volunteered to sort them. When I started I was joking with the boys and said "Watch me pick one out for me," never expecting to see one for another month anyway. Well, the third one I came to was for me and I nearly fell over.

Again I want to thank you all and although it is late I hope everyone had a Merry Xmas and a Happy New Year. I hope I can spend my next one in Raymond.

Yours Sincerely, James Greep.

It was announced last week that an additional 4,000 acres of sugar beets would be grown in Southern Alberta this year. This added acreage will be given to present contract holders according to present plans. The main reason for this is that it may be impossible to make this arrangement permanent, and officials of the Company and also of the Beet Grower's Association feel that it would be better to not increase the number of growers and then possibly have to refuse them a contract in the future after only a few years of operation. With 1,200 growers, this increase will mean just over three acres increase per grower, but of course the added acreage will be apportioned on a percentage basis according to present acreage. General satisfaction is expressed over this arrangement in view of world conditions which preclude the erection of any new plants.

The agricultural department of the Company is busy planning to meet the demands for the production of its own beet seed. Formerly this has been imported from Europe; now, with this supply cut off, it is necessary to be self-sustaining, and work is proceeding on a new machine to seed what is known as "stecklings." These are small beets which were planted and grew last year, and were harvested and stored in root cellars and will be planted again this year, and this year will go to seed to supply seed for the spring of 1943. Quite an acreage was seeded last year, and the machines being constructed are expected to seed about 5 acres per day and will be ready as soon as spring comes so that work on the land can commence.

As a result of recent conferences in Eastern Canada, the beet sugar industry appears to be a little more stabilized, and some zoning has been done so that the sugar we make from our factories will be marketed almost without opposition in Alberta, western Saskatchewan and eastern B. C. while Manitoba will be left to the Winnipeg factory as far as it can supply the need. Alberta's acreage this year for Canadian Sugar Factories will total nearly 28,000 acres, and the added acreage will increase by about one-fifth the length of operation of the plants during the fall campaign.

Two fliers, from the Lethbridge school were forced down in a field for a couple of hours Sunday afternoon while the snow storm was so bad. When it let up they took off again and flew home.

### ROTARY MEETING

Monday's Rotary meeting was featured by the visit of four out of town guests, and Mr. Shannahan, a Rotarian from Vancouver, spoke briefly and expressed his pleasure at visiting the local Club and told of some of the Community Service work of the Vancouver Club, especially in the assisting of the Queen's Canadian Fund.

Shirley King of the Membership Committee introduced J. O. Hicken and W. LeRoi Stone as new members of the Club, and A. H. Zabriskie, a Past President of the Club gave the charge to the new members and welcomed them into Rotary and the local Club.

### "OVER THE TOP"

Because of the loyalty of Canadians from coast to coast our 2nd Victory Loan is going over the top. Those three words carry a world of meaning to free people in all the world. They enter into the thoughts and lives and actions of lovers of freedom and democracy everywhere, and especially today as the sins of oppression, ruthless and wanton bloodshed, pillage by dictators and sorrow, shame and heartache of their victims become better known around the world.

Compared with the freedom of speech and thought that we enjoy, free people would almost relish death to the life of misery that Hitler is dishing up in conquered countries in his effort to establish his 'new order.' Is it any wonder that Canadians

are meeting the call gladly to "lend" another six hundred million to the Government to carry on our fight with the greatest murderer history has ever known? Is it surprising that corporations, the targets of those who are looking for "easy money" should subscribe one million, two million and some even more for the advancement of a cause that means so much to every liberty-loving person in the world? Just what is this new order? It seems to be the suppression of all the virtues of those who think for themselves, and exaltation of a few very few of the chosen. The doing away with those who do to express an adverse opinion seems to be the style of the Fuehrer today and it seems surprising that so many of his competent officials on land and in the air should be mysteriously put out of the way at a time like this. Is he reading the hand writing on the wall? Is he beginning to realize that his ambitions to rule the world are falling by the wayside? Is it the mind of a man driven to distraction that is ordering the removal of these men who are trying to plan a course with some sanity in it?

Canada is going over the top and will go over the top every time she is called on so long

The lesser the spending,  
the greater the lending,  
the quicker the ending -

there is money available to do it. Our heritage of freedom is too valuable and has cost too much in sweat, blood and tears, to be sacrificed for the lack of money so long as the money can be found, or our credit is sufficient to obtain it. Come on Raymond, let's not be satisfied with our quota, let's double it. Our dollars are only "loaned" to our Government, and better be loaned now and keep what we have than — to be hoarded and turned over to conquerors if we fail in our DUTY and our TRUST today. Let's go "over the top."

Monty Witbeck, who has recently joined the Dental corps in the Canadian Active Army was home last week on a few days leave.

Speakers at the 2nd Ward Sunday evening were Elders Albert Brandley, Clinton Hardy and Thos. Ogden on their regular Home Missionary appointment. Miss Ruth Evans gave a reading as a special number. A good crowd was present for the enjoyable meeting.

The last payment on 15th August 1942, covers the final payment of principal, plus .82 of 1% in the case of the 3% bonds and .62 of 1% in the case of the 2 1/4% bonds representing accrued interest from 1st March 1942, to the due dates of the respective instalments.

### CONVERSION SUBSCRIPTIONS

Holders of Dominion of Canada 1 1/2% Bonds due 15th May 1942, and Dominion of Canada 2% Bonds due 1st June 1942, may, for the period during which the subscription lists are open, tender their bonds with final coupon attached, in lieu of cash, on subscriptions for a like or greater par value of bonds of one or more maturities of this loan at the issue price in each case without accrued interest. The surrender value of the 1 1/2% Bonds will be 100.59% of their par value, and of the 2% Bonds will be 100.80% of their par value, inclusive of accrued interest in each case; the resulting adjustment to be paid in cash.

The Minister of Finance reserves the right to accept or to allot the whole or any part of the amount of this loan subscribed for cash for either or both of the available maturities if total subscriptions are in excess of \$600,000,000.

The cash proceeds of this loan will be used by the Government to finance expenditures for war purposes.

Subscriptions may be made through any Victory Loan Salesman, the National War Finance Committee or any representative thereof, any branch in Canada of any Chartered Bank, or any authorized Savings Bank, Trust or Loan Company, from whom may be obtained application forms and copies of the Official Prospectus containing complete details of the loan.

The lists will open on 16th February 1942, and will close on or about 7th March 1942, with or without notice, at the discretion of the Minister of Finance.

# ILA HICKS LIKES WASHINGTON

In a recent letter home to her folks, Miss Ila Hicks, who is attached to the New Zealand legation in Washington, D. C., tells of the arrival there of the new Minister from New Zealand, Walter Nash, and of his reception by the embassies of Australia and Canada.

Ila likes her work very much in Washington, and apparently is succeeding very well in her work. We congratulate her on the fine record she is making. She is still very much interested in Raymond and her many friends here and likes to know what goes on at home.

## NEWS NOTES

Carl Shields now in the active forces was home on leave over the week-end.

Aircraftman Don Wells is at home on a short leave and is looking very well indeed.

Miss Katherine Paxman was in Welling part of last week at the J.L. Gibb home.

The Valentine Dance Saturday was well attended and greatly enjoyed. It was put on jointly by both wards, and Cody's Seven of Milk River furnished the music.

## OUR LETTER BOX

311 Isabel Street,  
Winnipeg, Manitoba,  
February 12, 1942.

Editor Recorder,  
Raymond Alberta.

Dear Sir:  
Last week we received the dates for this year's Canadian Basketball playoffs, and naturally we are looking forward to them. Immediately, however, we remember our own trip West last year, and our very enjoyable and exciting games in Raymond. I doubt if any of our boys will forget that last game as long as they live. It certainly was a thriller and a game which one might read about, very seldom see, let alone participate in.

I am writing with the hope that it may be our turn in April to have the privilege of bringing the Raymond Jacks to Winnipeg and repay the hospitality and kindnesses bestowed on us last Spring. Your playoffs will soon be starting again in Alberta, and we are hoping that Raymond will again represent the football province and come to Winnipeg to battle for the western and prairie championship.

While we were defeated at the Coast last season you must bear in mind that we played the University team in their own gymnasium and with a few breaks might have come out on top.

This year the Coast will have to travel and if your boys put up the same fight they did against us it will be no surprise if we have the pleasure of bringing the Union Jacks to Winnipeg on April 17th.

Yours truly,  
Bob McCance,  
for St. Andrew's Basketball Team.

# LET'S KEEP OUR CANADA *a happy land for them*

PINKY-WHITE DIMPLES; a button of a nose; wee, slender fingers clutching at your coverlet—what kind of a world is this to which you will awake?

Your life, we hope, will be rich in love and laughter. God forbid that your Canada should ever come under the heel of a ruthless barbarism, where babies are born to be the future shock troops, or the mothers of a brutal, military race.

We promise that you shall inherit a Canada blessed with the liberty our fathers bequeathed to us. You shall be free as we are free.

So we gladly lend our money to our country in this crisis. We will buy Victory Bonds to the very limit. We must and we will make sure that the threat of a brutal way of life is banished forever.

**HOW TO BUY**—Give your order to the Victory Loan salesman who calls on you. Or place it in the hands of any branch of any bank, or give it to any trust company. Or send it to your local Victory Loan Headquarters. Or you can authorize your employer to start a regular payroll savings plan for you. Bonds may be bought in denominations of \$50, \$100, \$500, \$1,000 and larger. Salesman, bank, trust company or your local Victory Loan Headquarters will be glad to give you every assistance in making out your order form.

"Where You Get More of the Best for Less"

When Moose Jaw school teachers went on strike on Monday 4,000 students went on holiday. Not receiving higher pay, which they demanded in a resolution on January 20th, they went on strike. They refused a cost-of-living bonus offered by the government in lieu of the 5 per cent increase in salary.

Mr. and Mrs. S. B. Card and Mrs. Witbeck returned home over the week-end from their trip to Utah and California. Stewart said it was nearly as cold in California as in Alberta and that firepots had to be kept burning each night under many of the trees to protect them.

### WEDDING BELLS

ANCECA — ORGAN

Helsby, daughter of Mr. and  
Mrs. Ernest Organ and Marshall  
Aneca, were quietly married at  
Southminster Church in Leth-  
bridge, last Saturday afternoon,  
Feb. 14th. Following their re-  
turn to Raymond, a wedding  
supper was served at the bride's  
home to members of both fami-  
lies and a few friends.

The young couple are at pre-  
sent honeymooning in Calgary  
and will take up their residence  
in Medicine Hat where the  
groom is employed. A pre-nup-  
tial shower was held for the  
bride in the 2nd Ward Church  
last week.

With their many friends we  
extend best wishes for a happy  
and prosperous married life.
